has successfully completed the online, non-credit Professional
Certificate

AWS Cloud Solutions Architect

This program arms you with the skills you need to accelerate your career in cloud architecture and provides a pathway to earn the AWS Certified Solutions Architect – Associate certification. You'll deploy solutions, including infrastructure components such as networks, systems and applications services, and you'll gain real world experience through hands-on projects. Upon successful completion of this program, you will earn a certificate of completion to share with your professional network and potential employers. Please note that this program helps equip you with the skills you need to take the certification exam, but additional study and training may be required before taking the exam.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
